

THREADED MISTER

For more info visit our website www.tempoinc.com

Features:

- Extremely fine water droplets.
- Ideal for cooling animals or people.
- 1/8" MIPT connection.
- Available in 2 flow rates.
- Packaged with 100 mesh stainless steel screen.
- Manufactured from engineering grade resin.
- Color coded.
- Screws into any 1/8" FIPT PVC fitting.
- Hexagonal shape so it can be turned into fitting using a wrench.

Part No.	Cone Angle	Pressure Range	Droplet Size	Discharge Rates (gph)				
				30 psi	45 psi	60 psi	75 psi	90 psi
EM6	80°	30 - 90 psi	30 - 80 micron	0.65 gph	0.80 gph	0.90 gph	1.00 gph	1.10 gph
EM10	80°	30 - 90 psi	30 - 80 micron	0.90 gph	1.10 gph	1.30 gph	1.40 gph	1.50 gph
